

SAGA COSMETICS

SAGA Cosmetics is a Lebanese leading cosmetics company, designed to produce and distribute locally manufactured, high quality personal care and home care products.

Established in 1994, our years of experience has grown us into a leading trademark across the region.

Our vision is to achieve regional market leadership in the home care, personal care and hair care categories. The SAGA Cosmetics portfolio covers two major industries: Retail and Professional, thus ensuring access and availability to both end consumers and professionals such as hairdressers and personal care experts.

Our Retail portfolio includes a wide range of personal care and home care products comprising: Deodorants, hand soap, nail polish remover, hand cream, air fresheners, hair color kits as well as disinfectants and surface cleaners.

Our Professional portfolio includes a salon exclusive range of products as well as a semi-professional range available for wholesalers and perfumeries.
